**2<sup>nd</sup> RESPONSE TO "NOTICE OF HEARING  
CONFIRMATION REQUIRED WITHIN TWENTY-ONE DAYS"**

In response to the "Notice of Hearing Confirmation Required within Twenty-One Days" (copy enclosed) mailed February 27, 2007, as well as my telephone discussion today with a BPAI representative, Appellant and its counsel respectfully request that the date for Oral Hearing be rescheduled.

The Oral Hearing is currently scheduled for Wednesday, April 4, 2007, at 1:00PM in Hearing Room A. This request to reschedule that date is necessitated by a conflict that I have with a previously scheduled obligation to another client. I am the attorney who has prosecuted the subject application, including preparation of the Brief and Reply Brief and I am the Applicant's representative who is most familiar with the issues in this appeal.

On April 4, 2007, I am scheduled to meet with six representatives of Parker-Hannifin Corporation, a client who is located in Cleveland, Ohio. The meeting is to be held at Parker-

Hannifin's offices in Cleveland. The purpose of the meeting is to discuss confidential and privileged business and legal issues.

Due to the number of attendees and the schedule for deciding the issues to be addressed with that client, that meeting cannot be rescheduled. I have represented Parker-Hannifin for over 20 years and I believe that my participation in the meeting is necessary. The meeting with Parker-Hannifin was scheduled before the Patent Office issued the Notice of Hearing setting the hearing date for April 4, 2007. Accordingly, there was no opportunity to avoid this scheduling conflict.

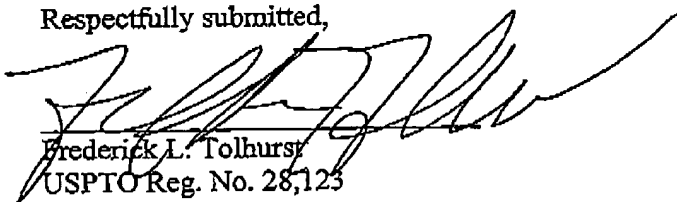

It is respectfully requested that, if possible, the oral hearing be rescheduled to one of the following alternate dates:

Monday, May 7, 2007  
Tuesday, May 8, 2007  
Wednesday, May 9, 2007  
Thursday, May 10, 2007  
Monday, May 21, 2007

If further information is required for processing this request, I can be reached directly at 412-297-4960.

Respectfully submitted,

By:
